

SAPEY End-of-Season 2-Phase Sunday 27th Sept 2009

Thank you for competing at our One Day Event on Sunday we hope you had a good competition and enjoyed the event.

We had some excellent feedback from competitors and several commented on how well good the ground was considering the dry conditions we have such a good covering of grass here which is old turf and quite spongy and Alan had run the grass harrows over everywhere late on Saturday to ensure we had done as much as possible to get the ground as best we could for the competition.

With a slightly slower than normal Optimum Time for Cross Country allowed everyone to go at a sensible pace and as far as we aware all horses came home sound and the VET and Paramedics had lovely quiet day.

We were very grateful to the riders who responded to the pheas for extra helpers and a very big thank you to all the volunteers for giving up their time to enable the event to go ahead

As this competition has no Dressage Phase there was an Optimum Time for the Cross Country

XC Times Penalties are as follows:

For every second in excess of the Optimum Time

0.5 Penalties

For every second under the Optimum Time

0.5 Penalties

Exceeding the time limit which is twice the Optimum Time
