

SAPEY EVENTER CHALLENGE - Sunday 8th October 2017

Thank you everyone for entering and helping at the Eventer Challenge it was again a lovely event and we were so blessed with good weather as well, we hope you enjoyed the competition. Apologies for the time taken to display the results on this occasion. Placings are decided by sj faults, xc faults then by closest to the Opt. Time with under the OT taking priority to being over. Scores for 70cm had no penalties for times over the Opt. Time. Please scroll down to find you results. Any queries please email only: audrey@alanthacker.co.uk

We have had a few queries and these have now been corrected hopefully. Where they affect the placing we have awarded a joint placing.
